 Subject: Japan Vacation

.....

Hello Hirokazu,

How are you doing? Thank you for sending me those Japanese sweets from Osaka! They were really delicious. I shared them with my family, and my mom and dad ate some, but my sister didn't like them!

By the way, I have great news! I'm going to visit Japan again this summer. I can't go to Osaka this time, but I am going to go with some friends to Niigata. Can you give me some advice on things to do there?

Thanks so much,
 Michael

Dear Michael,

Great to hear from you again! I'm happy you liked the sweets. They're called "daifuku" in Japanese. Sorry your sister didn't like them. I will send something different next time!

It's nice that you are going to Niigata! There are many things to do and try. Swimming at the beaches on the Sea of Japan coast is great. You can also go hiking in the mountains and visit a hot spring. Niigata has delicious seafood and rice, too. I think you will like Niigata city. The only problem is the buses and trains take a long time to come and sometimes they are late!

Talk to you later,
 Hirokazu

- No. 13 What are some things Michael can do in Niigata?

Shohei Ohtani

Do you like playing sports? When you play sports, you need to find someone to play with. However, they don't have to speak the same language as you. Sports are for everyone! Playing sports is a good way for people from different countries to become friends.

Now, there are many Japanese athletes playing overseas. For example, in the United States, there are many Japanese baseball players playing in the major leagues. Recently, Japanese baseball player Shohei Ohtani moved to the U.S. to play baseball for the Los Angeles Angels. He is a unique player, because he can pitch very well and also hit very well. Because of these skills, Ohtani has become one of the most popular baseball players in the U.S.

Ohtani didn't start his baseball career in the major leagues. When he was a high school student in Iwate, he was the best player in Japan. He threw a 160-kilometer per hour pitch at the Japanese national high school baseball championship tournament, and became very famous. Ohtani wanted to move to the U.S. to play in the major leagues, but the teams in America didn't want him to both hit and pitch. When Ohtani heard this, he decided to stay in Japan after high school and play for the Nippon Ham Fighters in Sapporo.

After a few years, teams in the U.S. wanted Ohtani to play for them. The Angels promised him he could both pitch and hit, so Ohtani chose to play for Los Angeles. They paid a lot of money, but Ohtani is now one of the best players in the major leagues. He is known for throwing very fast pitches and hitting long home runs. Americans love this style of playing. That's one big reason why Ohtani is loved by many fans and will continue to be in the future.

TOPIC

Which do you like better, spring or fall?

Answer the question and give TWO reasons. You must write 25 words or more.

I like spring better than fall. First of all, I like warm weather. In spring,

the weather gets warmer, and then summer comes next. Another reason

is we can enjoy a cherry blossom viewing. Going to the park or river to

see the cherry blossoms is a lot of fun. That's why I like spring better

than fall.
