From: Nicole Conaway

Date: November 15th
Subject: Music Lessons
.....

Hello,

My name is Nicole Conaway and I'm writing to ask about guitar lessons. My best friend at school plays the guitar and it looks fun, so I would like to try, too. I'm a little bit worried because I have never played a musical instrument before. Is it OK for beginners to take a lesson at your school? My friend plays the electric guitar, but my mom said it would be too noisy at home. Can I take acoustic guitar lessons? I can't go on Mondays because I have soccer practice. Would it be possible to take a lesson on Wednesdays?

Thanks so much,
Nicole

TOPIC

Which do you like better, watching anime or reading comic books?

Answer the question and give TWO reasons. You must write 25 words or more.

I like reading comic books better than watching anime. First, comic books

are easy to read anywhere. You can read comics on the train, in your room

or in the park. Also, there are many kinds of comic books to choose from.

Some subjects include action, adventure, sports and fantasy. For these

reasons, I like reading comic books better than watching anime.
