Takumi Minamino

Recently, a lot of Japanese men's soccer players are playing for teams in other countries. The sport is very popular in Japan, and soccer players are becoming more famous when they move to other countries to play.

Takumi Minamino is a good example. He started playing soccer in Japan at Cerezo Osaka. Cerezo is a team in the J-League. Minamino played there from 2012-2014 and scored seven goals in total.

Minamino was a very young player at Cerezo Osaka. Teams in other countries watched him play and thought he would be a good player in Europe. In 2015, a team from Austria called Red Bull Salzburg asked Minamino to play for their team. Salzburg is a member of the Austrian Football Bundesliga. This league is stronger than the J-League, but Minamino played well. He scored 42 goals from 2015-2019. Bigger teams saw his skills and wanted him to join their teams.

In 2020, Minamino joined one of the best teams in the world, Liverpool. This was very special because not many Japanese players join the English Premier League. This made Minamino even more popular all over the world. He scored four goals in 30 matches with Liverpool. After playing for them, he joined Monaco in the French League in June of 2022 and has been playing there since then. Minamino is surely a very popular and famous name in the sport worldwide.

- B) Because he scored more than 50 goals for Liverpool.
- C) Because he is the first Japanese player to play overseas.

No. 15 Takumi Minamino is

- B) only famous in Japan.
- C) now playing for Monaco.
- D) the best player in Osaka.

No. 16 How many goals did Minamino score at Cerezo Osaka in total?

(例) I like studying English better than studying math. First of all, English is easier for me than math. I am good at languages, but I am not good with numbers. Another reason is that I think English is more useful than math. In the future, I hope to travel and live in foreign countries, so I will need English to communicate.
