Date: October 25th  
Subject: Piano Lessons

.....

Hello,

My name is Rachel Smith and I'm writing to ask about taking piano lessons. I love music and really want to try playing an instrument. I'm a little worried because I can't read music and I don't have a piano at my house. Is it OK for people to use a piano at your school? My father said buying a piano is too expensive. Can I practice on a keyboard at home and use the piano at your school? I can't go on Tuesdays because I have volleyball practice. Would it be OK to take a lesson on Fridays?

Thanks so much,  
Rachel

Black Jack has many interesting characters. One of these characters is Pinoko, who helps Black Jack. There are also characters with names like Dr. Honma, Megumi Kisaragi, Takashi and Black Queen. The stories have so many characters, so it is hard to remember all of them.

Black Jack was printed from 1973-1983. It was also made into an animated TV series. It is Osamu's second-best selling comic, and over 45 million books were sold in Japan. It might not be as popular worldwide as Astro Boy, but Black Jack is surely loved in Japan.
